

IBNS International Mentoring Program Mentee Profile

Information about the IBNS International Mentoring Program is available online at www.ibnshomepage.org/mentor.htm. A series of articles about the program will be published in the online IBNS Newsletter beginning in October of 2006. If you are a member of IBNS and wish to be assigned a Mentor, please select one or more potential mentors from the IBNS membership AND complete this confidential profile. Next, forward your list of potential mentors and your completed profile to a Co-Chair of the Mentoring Committee or a Member of the Liaison Committee who will become the Facilitator for your mentoring relationship. Your Facilitator will contact you once you have been "matched" to a mentor. At that point, it will be your responsibility to initiate contact with your new Mentor.
